

“Do It”

by

Alexander Lee-Rekers

A Do it.

B I will.

A Do it.

B I will ... it's just-

A It's just what?

B It's not so simple.

A It's not so complicated either.

B Why don't you do it?

A I would!

B Then do it!

A I would....

B But?

A It has to be you, doesn't it?

B You're right.

A I'm sorry.

B Just give me a minute.

A Take all the time you need.

B Thanks.

A But do it soon.

B I will.
