- A Did you find it?
- B Not yet.
- A You better...
- B Yes, I know that, thank you.
- A I know you know, just saying...
- B You're not being helpful.
- A I'm sensing that.\
- B Do you know where it is?
- A No?
- B Did you take it?
- A No!
- B Did you?
- A I want you to find it, too.
- B Then help me look.
