- A: Are you getting any reception here?
- B: Not really.
- A: I keep wandering around...
- B: People are having luck near the gate.
- A: The north gate?
- B: The one near the road.
- A: That's the one.
- B: Anything wrong?
- A: No. No, just checkin.
- B: Funny how we come here to get away from things.
- A: I'll try the north gate.
